

Homeownership Starts Here

You're invited to unlock Bevel. MICPA employees and eligible family members have access to a homeownership benefit that makes buying, selling, or refinancing simpler and more affordable. You'll be paired with a dedicated lending professional and a local, vetted real estate agent—and receive up to 1% in closing credit (up to \$12,000) to use toward closing costs, prepaid items, commission fees, or a rate buydown. There are no membership fees or premiums, and registering has no impact on your credit score.

How It Works

Register

Complete a short, secure form. No membership fees and no credit score impact.

Access our network

Complete a short, secure form. No membership fees and no credit score impact. Bevel introduces you to a vetted lender and, when needed, a real estate agent in your local market.

Move forward with confidence

Your lender and agent guide you through pre approval, offers, negotiations, and closing (or listing and sale for homesellers).
